

# Monticello Teachers Return to School

Amidee Roden, Monticello Customer Service Manager, Liberty Bank Minnesota

Each year when the Monticello teachers come back to school, a wonderful event is held to welcome them back. Many local businesses and professionals have booths and offer information and some token of appreciation for the job they do.

Liberty has been a participant in this event for several years. This year we presented attendees a large cloth "goodie basket" to carry all the items and information they were receiving. Judging from the number of these we saw being carried around, they were quite popular. Thanks Monticello Teachers for the job you do!

## Liberty Block Party 30!

### Three Acts in Four Hours and a Massive Crowd

This year marked the 30th year Liberty has produced the Liberty Block Party. This FREE event is created, executed and fully-funded by Liberty Bank Minnesota.

To mark our 30th anniversary milestone, we presented three iconic retro rock acts: The Buckingham's, BJ Thomas and Hermans Hermits starring Peter Noone. Judging by the crowd size and food sales, this was the most successful show yet. The weather was absolutely perfect and the production went off without a hitch: three acts in four hours!

Over the course of 30 years, we have presented original artists who have performed nearly 300 top-10 singles based on US Contemporary and Country music charts. The combined record sales of these artists totals in the hundreds of million records! It has been a great joy bringing this iconic event to the area all these years, and we want to thank the folks who have put it on their calendar very summer.

## LIBERTYVILLE

### Libertyville 6 in Sartell: The Best Ever!

The 6th annual Libertyville! took place at the Sartell Community Center on June 9th. It was held at a new location: the beautiful Sartell Community Center. Judging by attendance, this is an ideal location for this event, which includes free hot dogs, chips and beverages until they run out, lots of giant inflatables, face painting, crazy hair, and other activities.

The response was a bit overwhelming. In the first two hours 1,500 hot dog and chip platters were served, exceeding our expectations. Thank You to everyone who attended what has become a much anticipated event in Sartell each year.

### LEAF District 742 donation

Bruce Hentges from L.E.A.F. and Robin Gohman SVP, Liberty Bank Minnesota

Liberty has been a proud supporter of District 742's LEAF program. This very active organization raises funds for many activities students participate in throughout the school year. As part of our annual Block Party and other activities, we raise funds for this important organization each year.

This year we presented a check for \$10,000 to LEAF for their efforts. Good Luck with your efforts during the 2018-19 school year!

Liberty is proud of its status as the "Oldest Name in Banking in Monticello". Over the years we have supported many worthwhile activities. This summer we were the premier sponsor of the Monticello Chamber Golf Tournament.

We enjoyed meeting everyone and handing out "goodie" bags for all the participants. The Chamber does a great job of keeping the Monticello Business Community active and we are happy to support the Chamber.

LIBERTY BANK DONATES  
DOWNTOWN FACILITY FOR  
A CHILDREN'S MUSEUM!

We are very excited that the owners and management of Liberty have made the decision to donate our current Downtown Saint Cloud headquarters facility to a non-profit group, The Great River Children's Exploratorium.

In addition, Liberty will provide some financial support to allow organizers to begin

their planning and fundraising activities. The opportunity to find such a worthwhile purpose for our facility is exciting. This site will be a great addition to the Downtown area.

Pending some required actions, we anticipate the Children's Museum group will take possession in early December. Stay tuned for news about their wonderful project!
